

The 2017 Parents Annual Giving Event is in full swing, and I thank all our parents who have participated so far. Each gift to the Annual Fund continues our mission and supports each and every boy on campus. We ask all our parents to participate through a gift to the Annual Fund and aid us as we work to grow our level of external support for our Brothers' Boys.

We have a goal of 85% Parent Participation for PAGE. We currently stand at 15%.

PAGE is very important to CBHS for many reasons. First, we raised over \$300,000 during PAGE in 2016. This makes a huge impact on CBHS! Second, by reaching our participation goal, it sets the tone for the entire CBHS community and strengthens our call to action to "Give Back Home"!

I ask every parent to make a one-time gift, starting a monthly contribution, or making a pledge during our Parents Annual Giving Event. Your gift can remain general to go towards our greatest area of need, or you can designate your gift to your son's favorite extracurricular program!

To make your gift online, go to <https://www.cbhs.org/Support-CBHS/Make-a-Donation>. For any questions regarding the Annual Fund or PAGE, please contact me at [jgoode@cbhs.org](mailto:jgoode@cbhs.org) or (901) 261-4927

Thank you.

John Goode, CBHS Development
