Resources Available to Parents at cbhs.org

Much of the information CBHS provides to parents is delivered via the Internet (but not all!) The following resources are the cornerstone of effective home and school communication, and should be accessed on a regular basis. Your CBHS Parent Account provides access to a wealth of information, including:

Parent Application:

- Student ID, House, Locker #, Advisor
- Students CBHS username and CBHS email address
- Class schedule, Family contact information
- Attendance records and Discipline records (if any)
- Email addresses for teachers and advisors
- Official Quarterly and Semester Report Cards

Haiku Learning Management System:

Haiku is the web-based Learning Management System used by CBHS teachers to create and deliver content, monitor student participation, and assess progress. Haiku also provides students and teachers the ability to use interactive features such as discussion forums, polls, and other tools that support collaboration and project-based learning. The dynamic and flexible nature of Haiku enables a curriculum that is largely free of traditional textbooks. Parents find Haiku most useful to:

- View course content to see what their sons are studying
- Monitor homework assignments and due dates
- Keep current with student progress and grades in each class
- Access contact information for teachers

Students and parents of the class of 2022 will be given access to Haiku after the scheduling process has been completed. You will be notified when your account is ready.

Parents are obligated to keep abreast of their son's progress with regular inspection of the data found within Parent Application and Haiku. Concerns/issues/questions raised by the data should be addressed to your son, his teacher, and his counselor, in that order. Email is generally the most efficient means of communication with teachers and counselors. In addition:

- The Daily Bulletin should be referenced each day for updates on such topics as athletic events, service opportunities, social events, academic reminders, club announcements, schedule changes, etc.
- The CBHS Calendar is available exclusively online, as updates are frequent
- The CBHS Handbook is also available exclusively online. Parents and students are responsible for reading and following all sections of the handbook.

Official correspondence from CBHS can be sent via US Mail or email. Parents/guardians who are authorized to receive report cards will be included on the distribution lists. Please ensure that both your home address and email address are current at all times.

Name, phone number, home address and email address changes should be directed to Ms. Ann Frayser, afrayser@cbhs.org

Summer Reading/Math Requirements

Students scheduled for the following courses are required to complete summer reading. Students are responsible for finding the recommended titles and reading the entire book(s) and taking notes. At the beginning of the school year, an objective and/or subjective examination will be administered to determine the student's familiarity with the work.

The English department allows students to choose titles from the lists below. Questions about English readings should be directed to the English department head, Mr. Shawn Kelly, skelly@cbhs.org.

Honors English I (two total)

Required: *The Adventures of Tom Sawyer* by Mark Twain

(choose one)

Markus Zusack – *The Book Thief*

Marjorie Kinnan Rawlings – *The Yearling*

Michael Shaara – *The Killer Angels*

English I (choose one)

Robert Cormier – *The Chocolate War*

Marjorie Kinnan Rawlings – *The Yearling*

Nancy Farmer – *The House of the Scorpion*

The Math department requires students who are enrolled in Honors Geometry to complete the following course work: contact dperry@cbhs.org with any questions.

Information for Students with Learning Differences

While CBHS does not offer special programs or teachers for students with learning disabilities, our teachers make all possible accommodations within the context of our college-prep courses. These accommodations are granted at the discretion of the teacher and generally include extended time, assistance with note-taking, preferential seating, and individual tutoring. It is the responsibility of the parents to provide copies of any psycho-educational evaluations **and supporting documentation to their son's** counselor upon enrollment at CBHS and as soon as possible after a new evaluation has been completed. After consulting with the parents and students, the counselor notifies the student's teachers of the recommendations made by the psychologist.

Students with appropriate documentation may apply for extended time for the PSAT/NMSQT, ACT, SAT, and Advanced Placement Tests. Counselors will disseminate information regarding the extended time application process for these national exams well before the application deadlines.

Please contact Mike Skirius or Mskirius@cbhs.org with any additional questions.

Physical Education Requirement

CBHS students who participate on a CBHS athletic team will earn 0.5 credit in PE for each full season of participation in a sport. A student may fulfill his PE requirements by participating in interscholastic athletics for at least two full seasons. The two seasons can occur anytime throughout the student's high school career. A maximum of 1 full PE credit can be earned towards CBHS graduation requirements.

In order to earn 0.5 credit, the student must complete a full season in a sport. No credit is earned for trying out for a team but not making it or quitting a team during the season does not count as participating for a season.

Guidelines for Success at CBHS

1. Student accounts for which 1st tuition payment (July) has not been received will not receive a locker assignment or schedule.
2. Those who have not turned in all required medical information will be sent home on the first day of school.
3. School days begin at 8:00 a.m. and conclude at 2:55 p.m. Please get to the CBHS campus before 7:30, and traffic problems will be at a minimum. After 7:30...good luck! Enter the property at the traffic light (not at the west driveway) or enter from Humphreys Drive on the northwest end of the property. Pick up your son in front of Heffernan Hall or the Bell Tower. On 12:00 dismissal days, wait a few minutes to ease congestion.
4. School will begin at 9:00 a.m. on most Wednesday mornings as faculty meet from 7:30 to 9:00. Dismissal is at 3:00 p.m. on Faculty Schedule Days. CHECK CBHS CALENDAR.
5. The single most important issue for success/failure at CBHS is regular attendance. Keep absences and tardies to an absolute minimum. Schedule doctor and dentist appointments during the summer and school holidays whenever possible.
6. The online School Calendar will contain all important dates, plus Grade Report days and school Holidays. Parents should keep tabs on these days so that they may plan.
7. Call our attendance office, 901-261-4902, if your son cannot come to school. The office opens at 7 a.m. daily. The day he returns to CBHS, give him a note from you explaining his absence. BOTH of these steps are required.
8. Three hours of study every school night is a recipe for success at CBHS.
9. Please attend the Freshman Parent Meeting at the opening of the school year and the Parent-Teacher Conference in the second marking period.
10. When an academic problem arises, contact the teacher involved first. If you call anyone else first, you will be directed to contact the teacher before anything further may be done. Administrators and counselors are all directed to give this advice.
11. Strongly encourage your son to be active in CBHS co-curriculars and/or parish activities, youth groups, Scouts, part time jobs, etc.
12. Inspect daily grades and homework assignments on Haiku. Check report cards, attendance, and discipline on Parent Application.
13. Never permit your son to sign any note or form for you.
14. Purchase clothing that conforms to CBHS dress code: solid dress shirt, black or brown dress shoes, dress slacks or khakis, socks, tie, and belt. Jeans, cargos or denim-like material are not allowed. Baggy, unpressed, bizarre styles are not allowed. No tennis shoes, shoes that go above the ankle, moccasins, sandals, canvas shoes, or shoes with stripes are permitted. No jackets, sweatshirts or other outerwear except for official CBHS logo items or sport coat.
15. Take care in selecting the class schedule each spring, and once it is set, make no alterations because: *"I do not like the teacher," "This course is too difficult," or "I am not interested."*
16. Let us pray, work, play and strive together for a successful four years at CBHS.
17. Remember, *LOVE UNCONDITIONALLY, TRUST CONDITIONALLY!*

Student Activities Available to Freshmen

Below you will find a listing of some of our most popular groups, teams, and activities. Some of our activities limit participation and require tryouts, elections, or auditions. Please note that this list is by no means exhaustive and remember to check the Daily Bulletin for various club activities throughout the year.

Required Health Information

****Physicals will be offered at no cost on Wednesday, May 15
Time and Location TBD**

ALL student ATHLETES must complete and submit a Physical Examination Form & ATS Profile by
May 31 which must be renewed annually.

Instructions for completing your ATS profile and physical paperwork can be found on www.cbhs.org with the following

The CBHS athletic programs do not carry insurance to cover your son. Some sports, such as football, have a catastrophic policy that goes into effect after \$10,000.00 of the family's incurred expense. This is a program instituted by the TSSAA that the school purchases in order to assist CBHS families.

Each family will receive a CBHS PARENTAL REPORT and return envelope during the first two weeks of June in the mail. Please complete and sign the CBHS Parental Report (which requires NO doctor's signature). Return it along with your son's most recent IMMUNIZATION RECORD (Tennessee State requirement for school attendance) in the envelope provided. These forms become part of your son's permanent records maintained in the Guidance Office. These forms are due no later than August 1.

NOTE: You will be asked to **include a copy of your son's most current** psycho-educational evaluation if he has been diagnosed with a Learning Disability.
