Our instructional camp is for players who want to improve their skills or learn the sport for the first time in a fun high energy environment. Players of all positions will work on fundamental skills as well as team concepts and specific positional drills to further develop a stronger Lacrosse I.Q. Each evening is broken down into manageable sessions that focus on having fun while learning. Initial sessions focus on individual techniques, while later sessions highlight the integration of these skills into team concepts. Campers will be divided by experience, skill level, and age. Each camper will receive his very own practice jersey and a complete stick from the Powell Lacrosse company.

****Experienced players should bring their full equipment. New players can learn and participate equipment free, but gloves and a helmet are recommended.***
