GOAL

The camp will help to improve your child's ability in dribbling, passing, control, and shooting while having fun and utilizing fair play. We have designed the camp to combine individual work with team oriented games to reinforce teamwork, and sportsmanship.

ACTIVITIES

The camp is designed for all levels, beginner or advanced, and campers will be grouped according to age and ability. The camp design is to challenge all levels through the technique, tactics, and visual aspects of the game. Campers will experience technical training, tactical training, and motor skill training (speed and agility) while in a fun, safe environment. Popsicles and Gatorade will be offered daily during our breaks.

COORDINATOR

The camp staff will consist of college coaches and players from Memphis, CBU and Rhodes, along with current CBHS players as assistants.

Camp Director - Nick Glaser: He has over 10 years of college coaching experience at Cumberland University (NAIA), University of Dayton (DIV 1), University of Memphis (DIV 1), and most recently as the head coach at Delta State University (DIV 2). In addition, he has over 15 years in youth coaching, both local and out of state, along with coaching Alabama, Mississippi, and Tennessee ODP.
